

REMARKS

Claim 1 has been amended to incorporate the limitations of previous claim 8. As claim 8 has been indicated as being substantively allowable, it is believed that claim 1 is now in allowable form.

All other claims now depend from amended claim 1. They therefore contain the addition limitations of original claim 8, and are believed to be allowable for the same reasons as the examiner has indicated with respect to original claim 8.

The remaining amendments are conforming amendments, canceling claims 8 and 16 and changing dependencies as required by the cancelation of those claims.

A notice of allowance is respectfully requested.

Respectfully submitted,
